

Each applicant gets secured access to online Awards Questionnaire. Applications are customised depending on turnover classification of applicant and category of Award applied for. The most comprehensive application for Corporate Excellence covers over 250 indicators across 15 Aspects. Applicants for Domain Excellence categories are assessed on indicators and aspects relevant to the Domain. The 15 Aspects are:

1. Corporate Governance
2. Business Ethics
3. Risk Management
4. Transparency and Disclosure
5. Financial and Economic Performance
6. Employee Development
7. Stakeholder Engagement
8. Human Rights
9. Health and Safety
10. Corporate Social Responsibility
11. Supply Chain
12. Product Responsibility
13. Environment Management
14. Biodiversity
15. Compliance to Regulations

Each aspect has a set of indicators or questions. These indicators are in sync with international and Indian standards and reporting frameworks including GRI G4, Carbon Disclosure Project, UN Global Compact, National Voluntary Guidelines, ILO, et al.

Interested applicants for turnover classifications > Rs 50 cr, can review the sample questionnaire. Questionnaire for Domain Excellence are questions limited to specific aspects only.

[Sample questionnaire for applicants with T/O > Rs 50cr](#)

Application document for applicants with turnover classifications < Rs 50 cr, is customised to suit their realities. Most questions are open-ended, they are fewer in number, and number of aspects are also less as compared to comprehensive questionnaire for applicants in other T/O categories.

Interested applicants for turnover classifications < Rs 50 cr, can review the sample questionnaire. Questionnaire for Domain Excellence are questions limited to specific aspects only.
